

DTS Reman Warranty Policy

All DTS Reman products sold are warranted to be free from defects in material or workmanship for a period of 12 months from the date of invoice. We will repair, replace or refund your money, at our option, any part that fails during the warranty period and is determined to be defective in material or workmanship. If a defective product is replaced it will be warranted for either the remainder of the original warranty period or 120 days, whichever is longer.

This warranty applies to product used under normal operating conditions and service. This warranty does not include failures caused by incorrect installation, application or operation, modification, contamination, negligence, misuse, abuse, fuel or oil contamination or fire damage. This warranty does not extend to labour costs of diagnostic time, incidental or consequential damages or expenses.
